Others Present: City Manager Cummins, DPW Superintendent Herbert, Deputy Clerk Williams, Sergeant Haas, Attorney Witte.

Mayor's Comments:

Mayor Anderson briefly reflected on the significance of the Pride Month proclamation, sharing personal insights as an openly lesbian individual. She acknowledged some critical social media reactions to the Pride sidewalk but emphasized the importance of creating inclusive spaces. She recounted a meaningful experience officiation a wedding for a young lesbian couple in Saugatuck's Rose Garden – chosen by the couple after searching for LGBTQ-friendly wedding locations. This moment underscored the city's welcoming reputation and reinforced her pride in being part of the Saugatuck community. She concluded by expressing her support for the proclamation and her joy in signing it.

City Manager Comments:

City Manager Cummins shared personal news of his recent marriage and their honeymoon in Italy, expressing gratitude for the well wishes and the team's support during his absence. He noted observing public infrastructure abroad with professional interest, even while on vacation. He thanked staff, particularly DPW Superintendent Herbert, for covering his responsibilities while he was out of the office.

He praised the Clerk's team and election workers for successfully managing the recent election. He also recognized Planning & Zoning Director Thompson's outstanding efforts in handling communications and inquiries following changes the short-term rental ordinance.

Regarding the Maple Street project, he detailed work being done by Herbert and the engineers, including on-site assessments and planning for stormwater and sidewalk improvements. The project is advancing toward the next public feedback stage, with the aim of completion next year.

Staff Reports, Boards, Commissions & Committees:
The City Manager, Treasurer, Clerk, Director of Planning & Zoning, Department of Public Works, Engineer and Police submitted status reports on current activities since the last regular council meeting for their respective departments.

Fire District Administration:
Dan Fox presented a recap from the Saugatuck Township Fire Board's meeting held on April 21, 2025, Meeting. Key points included:

- **Facility Limitations:** The current fire station has inadequate water and sewer infrastructure (small water line, septic), lacks proper sleeping and shower accommodations for firefighters who live outside the district, and is nearing or at capacity for housing apparatus.
- **Southern Expansion Site:** A property at Wiley and Blue Star in Douglas (former Allen Hospital building) is being considered for a new southern response facility. The fire board toured the site, and a non-binding letter of intent is being developed with Douglas officials.
- **Advantages of Site:** The southern portion of the building is in near move-in condition with minor upgrades needed, and it was originally constructed to a high standard. Douglas plans to renovate the northern two-thirds for its own use, leaving the southern third for potential fire district use.
- **Funding Concept:** Preliminary discussions include a possible condominium-style ownership structure allowing the fire district to acquire its portion of the building.

- **Site Layout & Access:** Plans include a new three-bay apparatus garage. Vehicles would exit onto Wiley Street, away from Blue Star, due to future plans for a stoplight or roundabout at the corner, improving emergency access and safety.

The proposal remains in early stages, with funding and final decisions still under discussion.

Interurban Board:

Councilman Muncey said that the service area has expanded to include three stops in Fennville: Wagner's, The Post Office, and Ladders of Hope – for just 1$. Additionally, $1 door-to-door service is now available throughout Laketown Township. The Fennville program will run for about two years, while the Laketown pilot ends in October, with potential continuation based on demand.

Special $5 rides to three local wineries (Modalis, Virtue Cider, and Fenn Valley) are also available from anywhere in the service area. March 2024 saw record ridership, with nearly 4,500 passengers – an increase of 260 youth riders from the previous year. Demand is rising, especially in the afternoons.

Facility expansion is in the design phase, with construction expected to begin within two months, including an added bathroom and more building space. Lastly, the director revied a strong performance review, praised for service expansion and strong staff relationships. The next meeting is scheduled for May 20.

Kalamazoo Lake Sewer & Water Authority:

Councilmember Clark gave a recap of the last meeting and said that Greg Wyckoff has agreed to lead the harbor project, with funding already included in the upcoming budget for all three communities. The first meeting with him, focused on the no-wake survey, is scheduled for July 8. There was an issue receiving an update from Daniel, who is tracking survey responses, but a key upcoming decision will be determining a final deadline for survey submissions – either by setting a firm cutoff date or issuing a final reminder. Staff input will help guide that decision.

Kalamazoo Lake Harbor Authority: None.

Zoning Board of Appeals: None.

Historic District Commission:

Councilmember Gardner said that at the May 1 meeting, the Historic District Commission discussed three key items:

1. Kilwins Building (Mason & Butler): Damage to the inlay tile at the entrance, caused by a storm, led Kilwins to request replacing a portion with cement. The Commission approved the partial replacement acknowledging Kilwins' care for preserving the building's character.
2. Butler Pantry Building: A rotting and settling window on the left side of the storefront was approved for replacement with a historically accurate replica. Commissioners praised the detailed preservation work and commitment to maintaining the building's historic integrity.
3. Coghlin Park Marker: Approval was given to replace the existing sign in the park's northeast corner with one of the city's new historic markers.

Additional administrative approvals included a city application to replace decking at the Chain Ferry Landings, with further discussions planned regarding arbor replacements in that area. The next commission meeting is scheduled for June 5.

Planning Commission: None.

Parks and Public Works Committee:
Mayor Pro-Tem Stanton said that the next meeting is scheduled for May 27.

Tri-Community Non-Motorized Trail Study Committee: None.

Water System Operations Contract Advisory Committee: None.

Wildlife Management Committee, Councilmember Dean:

Councilmember Dean reported on the last meeting where the fire department shared drone footage confirming large deer populations, particularly between Wiley, Campbell, and Blue Star Highway – an area already known for heavy deer activity. Dean said that the Committee representatives recommended the drone focus continue in that region and extend toward Oxbow and Pe4terson Preserve, noting that the highest deer concentration appears to be on that side of the river near Douglas.

Additionally, the group reviewed draft homeowner association (HOA) hunting guidelines. While Douglas preferred stricter rules, Saugatuck representatives advocated for guidelines closely aligned with state regulations to reduce administrative and legal burdens. The goal is to develop a flexible template HOA's can use, not to override state DNR rules.

This work is progressing with an aim to finalize materials and ordinances before the October 1 start of the hunting season. Dean advised focusing deer management efforts on the high-density areas east of the river, based on both anecdotal and drone data.

Approval of Accounts Payable:

Motion by Stanton, second by Clark to approve the accounts payable in the amount of $224,954.32. Via roll call vote, motion carried unanimously.

Public Hearing: None.

Unfinished Business: None.

New Business:

A. Set Fiscal Year 2025/2026 Budget Public Hearing:

Motion by Dean, second by Stanton, to set a 2025-2026 Budget Public Hearing for June 4 at 6pm. Upon roll call vote, the motion carried unanimously.

B. Replication of Chain Ferry Arbors:

Motion by Stanton, second by Peterson, to approve the work proposed by Diversified Welding and Fabrication LLC, to replicate the steel structures of the Chain Ferry arbors contingent on approval from the Historic District Commission. Upon roll call vote, the motion passed unanimously.

C. Streetlight Removal Request – Spear Street:

Motion by Dean, second by Stanton, to have Consumers Energy deactivate and remove, the streetlight located near 555 Spear St, ID number 188348. Dean withdrew his motion.

Yes: Anderson, Clark, Dean, Muncey, Peterson, and Stanton
No: Gardner

D. Addendum to Trash Services Agreement:

DPW Superintendent Herbert said that the final version of the agreement with Republic Services includes minor revisions based on feedback from Council and legal. Key changes are:

1. **Service Timeline**: The response window for Public Works service requests was adjusted from two days to three days to give Republic more flexibility, especially during high-demand periods.
2. **Oval Beach Dumpster**: Language requiring annual delivery and removal of the dumpster was removed, as the container remains on site year-round. This is more cost-effective and operationally efficient.
3. **Optional Fees**: If the dumpster were ever removed for winter, Republic clarified a $95 delivery and $95 pickup fee would apply.

These changes were reviewed and approved by both legal counsel and Republic, and a finalized version of the agreement was presented.

Public Comment: None.

Correspondence: Lisa Mize – Executive Director of the Saugatuck Douglas Area Convention and Visitor's Bureau.

Council Comments:
Councilmember Clark researched the "Dark Sky Initiative" and thinks it is very interesting, and he said that their website is very informative. He said that he went fishing and right near the marsh, he spotted two massive eagle nests and could see little heads pop up.

Councilmember Muncey thanked the staff for putting together a strong and detailed packet. He expressed appreciation for the various reports included—especially the engineer and planning commission reports—and noted how much he values the case-by-case approach that was introduced and continues to be used. He also mentioned always enjoying the police report and reiterated that the entire packet was well done.

Councilmember Dean emphasized the importance of continuing discussions around event safety and security. He suggested the council and staff explore ways to make events safer, including potential long-term infrastructure improvements on Butler Street—such as installing retractable bollards, a solution used by other communities. While acknowledging the cost, he noted that safety concerns are growing and that such investments could reduce the burden on staff and

better protect the iconic area. He also expressed appreciation for the fire department's feedback in these discussions.

Mayor Pro Tem Stanton congratulated City Manager Ryan and Lisa on their recent wedding and well-deserved time off. She also thanked the city clerk and community volunteers for their work in ensuring a successful election. Looking ahead to Memorial Day, she acknowledged the efforts of local businesses as they prepare for the busy tourist season and offered congratulations to them for their hard work.

Councilmember Gardner congratulated City Manager Cummins on his recent wedding and echoed Councilmember Muncey's appreciation for the detailed staff packet, acknowledging the time and effort that goes into its preparation. Gardner expressed frustration over the continued use of the public sidewalk by residents at the corner house of Holland St. and Francis St. and requested a firm timeline for sidewalk restoration—ideally before Memorial Day—stating the situation has become unacceptable. He described the condition of the area near the Hoffman Street end docks as "terrible" and emphasized the need for immediate infrastructure investment, especially given its visibility and heavy use by visitors to Coral Gables and the new Marker 14 restaurant. Gardner recommended the council formally discuss funding for improved signage at intersection of Holland St. and Blue Star Hwy. that would direct visitors to Saugatuck, suggesting it be added to a workshop agenda.

Councilmember Peterson congratulated City Manager Cummins and noted that things around town are starting to look really good. She reiterated the need for a Saugatuck sign at the intersection of Blue Star Hwy and Holland Street. She expressed concern that the issue keeps falling off the radar and suggested it be formally added to a workshop agenda to discuss funding options. She emphasized the importance of clear signage to direct visitors. She ended on a positive note, welcoming the arrival of summer.

Mayor Anderson expressed gratitude to the election workers, highlighting the diverse group involved—including residents, non-residents, and people of all ages. She emphasized the complexity of the election process and praised the clerk and deputy clerk for their excellent organization and leadership.

Adjournment:

Motion by Stanton, second by Dean to adjourn the meeting. Upon voice vote, motion carried unanimously. Mayor Anderson adjourned at 7:40 p.m.

Respectfully Submitted

Generally, any request for an accommodation must be made in writing within 182 days or sooner after an employee knows or reasonably should have known of the need for an accommodation.

Upon notification of the need for an accommodation, the City M~~m~~anager will initiate the interactive process by requesting the employee to identify what accommodations are requested (if known) and to provide appropriate medical documentation. SECTION 1.43

PERSONAL HEALTH INFORMATION PRIVACY

I. PURPOSE

The City sponsors group health plans that provide medical, dental, and other benefits to eligible employees. The Privacy Rules under the Health Insurance Portability and Accountability Act (HIPAA) generally restrict the ability to use and disclose certain health or medical information about you that is created or received by these group health plans or by the City in connection with these group health plans. This Notice describes how medical information about you may be used or disclosed, and describes your legal rights regarding your medical information. References to the Plan throughout this notice also shall mean the City, as plan sponsor. If you have any questions about this Notice, please contact the City Treasurer, which serves as plan administrator.

II. POLICY

Protected Health Information

The HIPAA Privacy Rules protect only certain medical information known as protected health information ("PHI"). Generally, PHI is individually identifiable health information, including demographic information, collected from you or received by a health care provider, a health care clearinghouse, a health plan or your employer on behalf of a group health plan, that relates to: (1) your past, present, or future physical or mental health or condition; (2) the provision of health care to you; or (3) the past, present, or future payment for the provision of health care to you.

Our Pledge and Responsibilities Regarding PHI

We understand that PHI about you and your health is personal, and the Plan is committed to protecting PHI. The Plan is required by law to satisfy the following responsibilities with respect to any PHI created or received by the Plan: (1) maintain the privacy of your PHI; (2) provide you with certain rights with respect to your PHI; (3) give you this Notice of the Plan's legal duties and privacy practices with respect to your PHI; and (3) follow the terms of the Notice that are currently in effect.

How the Plan May Use and Disclose Medical Information About You

As permitted by law, the Plan may use or disclose your PHI under certain circumstances without your permission. The following categories describe different ways that the Plan may use and disclose PHI. For each category of uses or disclosures an attempt will be made to provide an explanation and examples. Not

every use or disclosure in each category is listed. However, all of the ways the Plan is permitted to use and disclose PHI will fall within one of the categories.

For Treatment. The Plan may use or disclose your PHI to facilitate medical treatment or services by providers. The Plan may disclose PHI about you to providers, including doctors, nurses, technicians, medical students or other hospital personnel, who are involved in taking care of you. For example, the Plan might disclose information about your prior prescriptions to a pharmacist to determine if prior prescriptions contraindicate a pending prescription.

For Payment. The Plan may use and disclose PHI about you to determine eligibility for Plan benefits, to facilitate payment for the treatment and services you receive from health care providers, to determine benefit responsibility under the Plan, or to coordinate Plan coverage. For example, the Plan may tell your health care provider about your medical history to determine whether a particular treatment is experimental, investigational or medically necessary or to determine whether the Plan will cover the treatment. The Plan also may share PHI with a utilization review or pre-certification service provider. Likewise, the Plan may share PHI with another entity to assist with the adjudication or subrogation of health claims or to another health plan to coordinate benefit payments. The Plan may release PHI about you to a family member, friend or other person who is involved in your medical care or payment for your medical care, unless you tell us not to release such information.

For Health Care Operations. The Plan may use and disclose PHI about you for other Plan operations. These uses and disclosures are necessary to run the Plan. For example, the Plan may use PHI in connection with: conducting quality assessment and improvement activities; underwriting, premium rating, and other activities relating to Plan coverage; submitting claims for stop-loss (or excess loss) coverage; conducting or arranging for medical review, legal services, audit services, and fraud and abuse detection programs; business planning and development such as cost management; and business management and general Plan administrative activities.

For Business Associates. The Plan may contract with individuals or entities known as Business Associates to perform various functions or to provide certain types of services on the Plan's behalf. In order to perform these functions or provide these services, Business Associates will receive, create, maintain, use and/or disclose your PHI, but only if they agree in writing with the Plan to implement appropriate safeguards regarding your PHI. For example, the Plan may disclose your PHI to a Business Associate to administer claims or provide support services, such as utilization, management, pharmacy benefit management or subrogation, but only after the Business Associate enters into a Business Associate Agreement with the Plan.

As Required by Law. The Plan will disclose PHI about you when required to do so by federal, state or local law. For example, the Plan may disclose PHI when required by a court order in a litigation proceeding, such as a malpractice action.

To Avert a Serious Threat to Health or Safety. The Plan may use and disclose PHI about you when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat. For example, the Plan may disclose PHI about you in a proceeding regarding the licensure of a physician.

To Plan Sponsor (i.e. The City). For the purpose of administering the Plan, PHI may be disclosed to certain employees of the City. However, those employees will only use or disclose that PHI only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized further uses or disclosures. Your PHI cannot be used for employment related purposes without your specific, written authorization. Information also may be disclosed to another health plan maintained by the City for purposes of facilitating claim payments under that health plan.

Special Situations. In addition to the above, the following categories describe other possible ways that the Plan may use and disclose your PHI.

A. Organ and Tissue Donation. If you are an organ donor, the Plan may release PHI to organizations that handle organ procurement or organ, eye or tissue transplantation or to an organ donation bank, as necessary to facilitate organ or tissue donation and transplantation.

B. Military and Veterans. If you are a member of the armed forces, the Plan may release PHI about you as required by military command authorities. The Plan also may release PHI about foreign military personnel to the appropriate foreign military authority.

C. Workers' Compensation. The Plan may release PHI about you for worker's compensation or similar programs. These programs provide benefits for work-related injuries or illness.

D. Public Health Risks. The Plan may disclose PHI about you for public health activities. The activities generally include the following: (1) to prevent or control disease, injury or disability; (2) to report births and deaths; (3) to report child abuse or neglect; (4) to report reactions to medications or problems with products; (5) to notify people of recalls of products they may be using; (6) to notify a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; and (7) to notify the appropriate government authority if we believe a patient has been the victim of abuse, neglect or domestic violence. The Plan will only make this disclosure if you agree or when required or authorized by law.

E. Health Oversight Activities. The Plan may disclose PHI to a health oversight agency for activities authorized by law. These oversight

activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

F. Lawsuits and Disputes. If you are involved in a lawsuit or a dispute, the Plan may disclose PHI about you in response to a court or administrative order. The Plan also may disclose PHI about you in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

G. Law Enforcement. The Plan may release PHI if asked to do so by a law enforcement official: (1) in response to a court order, subpoena, warrant, summons or similar process; (2) to identify or locate a suspect, fugitive, material witness, or missing person; (3) about the victim of a crime if, under certain limited circumstances, we are unable to obtain the person's agreement; (4) about a death we believe may be the result of criminal conduct; and (5) in emergency circumstances to report a crime; the location of the crime or victims; or the identity, description or location of the person who committed the crime.

H. Coroners, Medical Examiners and Funeral Directors. The Plan may release PHI to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death.

I. National Security and Intelligence Activities. The Plan may release PHI about you to authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law.

J. Inmates. If you are an inmate of a correctional institution or under the custody of a law enforcement official, the Plan may release PHI about you to the correctional institution or law enforcement official. This release would be necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.

Required Disclosures

The following is a description of disclosures of your PHI the Plan is required to make:

Government Audits. The Plan is required to disclose your PHI to the Secretary of the United States Department of Health and Human Services when the Secretary is investigating or determining the Plan's compliance with the HIPAA Privacy rule.

Disclosures to You. When requested, the Plan is required to disclose to you the portion of your PHI that contains medical records, billing records, and any other records used to make decisions regarding your health care benefits. The Plan also is required, when requested, to provide you with an accounting of most disclosures of your PHI where the disclosure was for reasons other than for payment, treatment or health care operations, and where the PHI was not disclosed pursuant to your individual authorization.

Other Disclosures

Personal Representatives. The Plan will discuss your PHI to individuals authorized by you, or to an individual designated as your personal representative, attorney in fact, etc., as long as you provide the Plan with a written notice/authorization and any supporting documents (e.g. durable power of health care attorney). Note that under HIPAA privacy rule, the Plan does not have to disclose PHI to a personal representative if we have a reasonable belief that: (1) you have been, or may be, subjected to domestic violence, abuse or neglect by such person; (2) treating such person as your personal representative could endanger you; or (3) in the exercise or professional judgment, it is not in your best interest to treat the person as your personal representative.

Authorizations. Other uses or disclosures of your PHI not described above will only be made with your written authorization. You may revoke written authorization at any time, as long as the revocation is in writing. Once we receive your written revocation, it will only be effective for future uses and disclosures. It will not be effective for any information that may have been used or disclosed in reliance upon the written authorization and prior to receiving your written revocation.

Your Rights

You have the following rights regarding PHI that the Plan maintains about you:

To inspect and copy PHI that may be used to make decisions about you, you must submit your request in writing to the Contact Person listed above. If you request a copy of the information, you may be charged a fee for the costs of copying, mailing or other supplies associated with your request. The Plan may deny your request to inspect and copy PHI in certain very limited circumstances. If you are denied access to PHI, you may request that the denial be reviewed by submitting a written request to the Contact Person listed above.

Right to Amend. If you believe that PHI the Plan has about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by the Plan. To request an

SECTION 4.0

EMPLOYEE COMPENSATION

I. PURPOSE

To establish policies and procedures regarding employee compensation.

II. POLICY

The City maintains a pay range for each ~~non-exempt~~ job classification. Employees normally begin at the "start" step, but the City Manager reserves the right to start a new employee at advanced steps on the pay range based upon prior employment experience. Employees are eligible to advance from step to step in the pay range upon demonstration of the skills required for the classification; provided that the City Manager may withhold a step increase from employees whose performance has not been satisfactory. An employee's regular straight time rate of pay is established by the employee's placement on the wage range.

III. PROCEDURES

The pay range for each classification will be related to the duties and responsibilities of the position, the educational requirement for that position, the prevailing rates of pay for comparable work, increases in the cost of living, the financial condition of the City, and other relevant considerations. The City Manager will review these factors and make recommendations for changes to the pay ranges on an annual basis ~~as part of the annual budgeting process and/or at the end of each calendar year.~~.

Should an employee's pay rate reach the maximum of ~~his/her~~the classification's assigned range, and
a pay increase is offered to employees as part of the annual fiscal year budget (merit, market, or across-the-board), in lieu of a pay increase, affected employees will receive a one-time, lump-sum payment which will be in an amount equal to a percentage of each such employee's total annual income paid by the City for the preceding twelve (12) months. The percentage to be paid as a lump sum will be equivalent to the percentage of increase the employee otherwise would have received as a pay increase.

SECTION 4.1

OVERTIME PAY

I. PURPOSE

To establish policies and procedures regarding overtime pay for employees who are not exempt from the overtime pay requirements of the Fair Labor Standards Act.

II. POLICY

~~Hourly~~ Non-exempt employees shall be paid one and one half times their regular straight time rate of pay for all hours worked in excess of forty (40) in any workweek ~~and for all hours worked outside of their regular hours~~. For purposes of overtime computation, hours worked includes holiday pay, paid ~~personal leave~~time off and all hours actually worked, provided however, that hours compensated at time and one half for call-in work shall not again be counted as hours worked for overtime calculation purposes.

SECTION 4.2

COMPENSATORY ~~PAY~~TIME

I. PURPOSE

To establish policies and procedures regarding compensatory ~~pay~~ time for employees who are not exempt from the overtime pay requirements of the Fair Labor Standards Act.

II. POLICY

Non-exempt employees may opt to take compensatory time off rather ~~than~~ receive overtime ~~payment~~compensation. Compensatory time off, like overtime pay, is earned at time and one half for all time worked over forty (40) hours in a week, with the same calculation used in paid overtime.

Employees may accrue up to sixty (60) hours of compensatory time hours before cash payments are required.

All compensatory time must be used within the fiscal year (July 1 thru June 30) it is earned. All accrued but unused compensatory time as of each June 30th will be paid to the employee at the rate of pay in effect on that date. Employees who separate employment with the City will receive pay for any accrued but unused compensatory time at the average regular rate received.

~~Compensatory time must be used before using paid time off (PTO).~~ Employees will be permitted to use accrued compensatory time within a reasonable period after making the request and should provide as much notice as possible for their request. As with all time off, compensatory time requests are subject to approval and may be denied or postponed in cases where its use would unduly disrupt operations~~, requests may be denied or postponed~~.

~~The Fair Labor Standards Act does not prohibit the employer from freely substituting cash in whole or in part for accrued compensatory time off.~~ The City reserves the right to substitute cash payments for accumulated compensatory time at its discretion. Similarly, employees may request that accrued compensatory time off be converted to monetary payment, which will be made in the next applicable payroll.

SECTION 4.3

PAY PERIODS

I. PURPOSE

To establish policies and procedures for pay periods.

II. POLICY

Employees will be paid every other week by direct deposit, and deposits are normally available on Friday of the pay week. For hourly employees, their pay will cover a two-week period which starts at 12:00 a.m. on Saturday and ends at 11:59 a.m. the following Friday. The City reserves the right to change the pay periods when it determines appropriate.

SECTION 4.4

RETIREMENT BENEFITS

I. PURPOSE

To establish policies and procedures regarding retirement benefits.

II. POLICY

MERS Hybrid Retirement Plan.

The City ~~of Saugatuck~~ provides a h~~H~~ybrid retirement plan through Michigan Municipal Employees' Retirement System (MERS), which combines the stability of a lifetime benefit with the flexibility of an investment account that is portable. The hybrid plan provides both a "defined benefit" for retirement based on years of service, final average compensation and a multiplier used to calculate the benefit amount, as well as provides a contribution to a "defined contribution" plan that is manageable by the participant and is portable should the participant separate employment.

All full time employees are enrolled in the MERS Hybrid Plan with a 1.50% multiplier, six (6) year vesting and FAC-3 ~~of the Municipal Employees' Retirement System of Michigan (MERS)~~. The City pays all required contributions to these Plans. The specific terms and conditions governing the retirement plan are controlled by the Plan Document establishing the Michigan Municipal Employees' Retirement System.

457 Retirement Savings Plan.

The City also provides a defined contribution retirement savings plan through ~~VALIC~~ MERS ("457 Plan") available to eligible employees. The City will contribute 4 percent of the employee's wage based on a 1:1 match to the employee's contributions up to four percent.

Retiree Appreciation Payment.

All eligible full-time employees who retire under the City's MERS plan with more than five (5) years of continuous service will receive a retiree appreciation payment in the amount of $50.00 for each completed year of service with the City. For the purposes of this policy, retirement occurs when an employee is eligible for an immediate retirement allowance from MERS and does not include the circumstances where an employee leaves City employment and will be eligible to receive a retirement allowance at some later date because they are vested in the retirement system.

SECTION 4.5

WORK -RELATED EXPENSES

I. PURPOSE

To establish policies and procedures regarding compensation of work-related expenses.

II. POLICY

Expenses related to professional conferences, seminars, technical meetings, trainings, or other professional development functions may be paid by the City or reimbursed to the employee if the expense has been adopted in the budget. Requests for reimbursements that are not included in the budget require approval from the City Manager. Employees submitting reimbursement requests for travel expenses, or those requiring a travel advance, should use the appropriate form and must submit all receipts.

Vehicles, Mileage. Whenever possible, a City vehicle should be used to travel for City business and employees should carpool to limit travel expenses. Employees who are required to use their personal vehicle for work-related travel will be reimbursed at the rate established by the IRS for up to 250 miles. Employees are to record the exact number of miles traveled, by most direct route, from the first place of business to the next. No reimbursement will be made for travel between home and a normal place of business.

Meal Expenses. Employees will be reimbursed for reasonable, actual meal expenses incurred in conjunction with a program or meeting that provides a primary benefit for, or serves the best interests of, the City. Luxury meals, costs for alcohol, or excessive reimbursement claims will not be reimbursed.

Lodging Expenses. Employees will be reimbursed for reasonable, actual lodging expenses when a full day's work must be performed a considerable distance from the City, or under other appropriate circumstances with prior City Manager approval. In order to be eligible to receive jury duty pay from the City, an employee must:

A. Be a full-time employee;

B. Provide the City reasonable advanced notice of the time that the employee is required to report for jury duty;

C. Provide satisfactory evidence that the employee served as a juror at the summons of the court on the day that the employee claims to be entitled to jury duty pay; and

D. Return to work promptly after being excused from jury duty service.

SECTION 5.3

I. PURPOSE

To establish policies and procedures regarding funeral leave.

II. POLICY

"Immediate family" shall mean the employee's current spouse, child, father, mother, sister, brother, father-in-law, mother-in-law, grandparent or grandchild. This leave is intended to allow the employee to attend the funeral and attend to family matters. Employees who lose work from their regularly scheduled hours as a result of funeral leave shall receive their regular rate for such lost time. Employees are expected to report the need for funeral leave to the City Manager prior to their designated starting time. For purposes of this section, an employee's mother, father, sister, brother and child include natural, step and adopted. Employees needing additional time may request to utilize accrued paid time off.~~

SECTION 5.4

WORKERS' COMPENSATION LEAVE

I. PURPOSE

To establish policies and procedures for workers' compensation leave.

II. POLICY

Upon written application, a leave of absence for a period of not more than six (6) months will be granted to employees who are unable to continue to work at the City because of a work-related injury or disease for which the employee is entitled to and does receive benefits under the Worker's Compensation laws of the State of Michigan ~~and is receiving payments from the City~~, subject to the City's right to require medical proof.

Employees are eligible for worker~~'s~~' compensation benefits beginning on the ~~eighth~~ 8th day after the injury, but worker's compensation benefits will be paid retroactively to the first day of injury if the period of incapacity last for fourteen (14) days or longer. Extension of the leave for a period of up to an additional six (6) months may be granted by the City upon written application establishing to the City's satisfaction that there is a reasonable likelihood that the employee will be able to return to work during the period of the extension.

The City may require at any time, as a condition of continuance of a worker's compensation leave of absence, proof of a continuing inability to perform work with the City. If the City, in conjunction with its medical advisors, determines that the employee is capable of returning to work, the employee's workers' compensation leave of absence shall immediately end.

SECTION 5.5

RETURN TO WORK AFTER LEAVE OF ABSENCE

I. PURPOSE

To establish policies and procedures regarding return to work after leave of absence.

II. POLICY

Employees returning from approved leaves of absence will be reinstated to their former job classification, provided the classification remains an active position in the City. The provisions of the foregoing notwithstanding, the City reserves the right not to reinstate to their former job classification any employee who no longer has the necessary qualifications, skill and ability to perform the work.

SECTION 5.6

DISCRETIONARY TIME FOR EXEMPT EMPLOYEES

I. PURPOSE

To establish policies and procedures regarding discretionary time for exempt employees.

II. POLICY

Exempt employees may be required to work more than forty (40) hours in a workweek to satisfy work demands or to attend evening meetings. In these instances, exempt employees may take discretionary time off provided such time does not adversely impact operations.

Discretionary time off for exempt employees is provided as a professional courtesy and is not an entitlement, nor is it to be viewed as an hour-for-hour offset to hours worked in excess of forty (40) hours. Exempt employees should expect that, from time-to-time, more than forty (40) hours is required of their position.

Exempt employees should coordinate their use of discretionary time with the City Manager to ensure proper coverage and recognize that, in some cases, operational needs may not allow the use of discretionary time off.

Discretionary time is not intended to be used to take a full day off; rather it provides flexibility from time to time. It is in no way to be construed as "overtime" compensation; it is not tracked, accrued, banked or in any way owed to the employee.

SECTION 5.7

FAMILY MEDICAL LEAVE ACT (F~~L~~LMA)

I. PURPOSE

To establish policies and procedures regarding the Family Medical Leave Act ~~(FMLA)~~.

II. POLICY

The City of Saugatuck complies with all statutory requirements of the Family and Medical Leave Act ("FMLA"). The FMLA provides eligible employees up to twelve (12) weeks of unpaid, job-protected leave in a 12-~~-~~month period: (1) for the birth or care of a child; (2) to care for a child after placement through adoption or foster care; (3) to care for a close family member (spouse, parent, son or daughter) with a serious health condition; (4) for the employee's own serious health condition which makes the employee unable to perform ~~his or he~~their job; (5) for "qualifying exigencies" arising from military service of a covered service member.

FMLA also allows up to twenty-six (26) weeks of leave within a 12-month period for an employee to care for a covered military service member with a serious illness or injury.

In some cases, FMLA allows an employee to take intermittent leave or to work a reduced schedule for a limited time period.

Spouses employed by the City are jointly entitled to a combined total of twelve (12) weeks for the birth and care of a newborn, placement of a child by adoption or foster care or to care for a family member with a serious health condition.

Eligibility

To be eligible for leave under FMLA, an employee must have worked at least 1,250 hours over the previous twelve (12) months and must have worked for the City for a total of at least twelve (12) months (does not need to be consecutive months).

Only hours actually worked will count toward calculating 1,250 hours over previous twelve (12) months for FMLA eligibility, NOT vacation, holidays, personal days, sick leave, etc.

For purposes of calculating FMLA eligibility, an employee on USERRA protected military leave will be given credit for time worked as if he/she had not taken the military leave and had worked continuously during that time.

Rolling Year

The City uses a rolling year for calculating leave under FMLA, meaning eligible employees may use up to a total of twelve (12) weeks FMLA time in the 12-month period following the commencement of any FMLA qualified leave. FMLA leave may be taken in a single 12-week period, or, when certified as medically necessary, on an intermittent basis such as blocks of time or work week reduction.

Prior approval from the City Manager is required where intermittent leave is sought for the birth and care of a newborn or placement of a child through adoption or foster care.

Coordination with Other Leaves and/or Paid Time Off Plans

The City requires employees to draw down accrued paid leave while on FMLA leave. The City will designate any leave that qualifies as both FMLA and another type of leave as running concurrently (i.e. disability leave, worker's compensation.) Accrued paid leave must be used to make up the difference in pay if on FMLA and receiving partial pay through some other means.

When the City and employee agree, employees must use accrued compensatory time off concurrent with FMLA leave.

When a holiday falls within a designated FMLA leave, and the employee is actively drawing down accrual banks, the employee will be paid for the holiday. In the event the holiday falls within an unpaid portion of an FMLA leave because leave banks are exhausted, the holiday will not be paid.

Health and Other Benefits

The City will continue to provide health, dental and optical benefits as if the leave had not been taken. The employee must continue to pay their portion of the premium(s) if normally required, and the City will recoup the cost of premiums paid on the employee's behalf if the employee fails to return after FMLA leave.

The City will also continue other benefits, including unconditional pay increases, that otherwise would occur while the employee is on FMLA.

Employees will continue to accrue paid time off while on FMLA leave if they otherwise would earn it.

Military Personnel and Families

FMLA extends leave protection and other rights for military personnel and their families in need of leave for "qualifying exigencies" related to call-up or military service or to care for a family member recuperating from a serious illness or injury (a more expansive definition than the typical "serious medical condition applies").

Who Qualifies

The act defines "covered service members" as members of the armed forces, including the National Guard or Reserves, or who are undergoing medical treatment, recuperation, therapy, or who are otherwise on outpatient status or on temporary disability retired list for a serious injury or illness.

The definition of "family member" for military personnel is more expansive and includes not only "parent, spouse or child," but also encompasses "next of kin," as designated by the service member. When not specifically designated, "next of kin" may include multiple individuals.

Further, an employee can take FMLA leave to care for a son or daughter who is a service member even if the son or daughter is an adult and does not meet the self-care and disability tests typically prescribed for non-military FMLA leave related to care for an adult child.

FMLA Leave to Care for a Service Member

FMLA allows up to twenty-six (26) weeks of service member caregiver leave within a 12-month period for an employee to care for a covered service member with a serious illness or injury. An employee may qualify for more than twenty-six (26) weeks to care for additional service members or to provide care for a subsequent injury or illness. The 12-month period must be a rolling year beginning on the first day of leave.

A serious injury or illness is incurred in the line of duty on active duty that may render the service member medically unfit to perform the duties of his/her office, grade, rank or rating. This includes a covered service member who: (1) is on the temporary disability retired list, a covered service member; (2) is undergoing medical treatment, recuperation, or therapy for a serious illness or injury or; (3) is assigned to a military medical treatment facility as an outpatient or is otherwise receiving outpatient care at a unit established for the armed forces. FMLA leave does NOT apply to care for former members of the armed forces who are on the permanent disability retired list.

FMLA Leave for Qualifying Exigencies

FMLA allows up to twelve (12) weeks of leave within the normal FMLA 12-month period to address qualifying exigencies that arise as the result of a covered service member's military service including: (1) short-notice deployment (seven days or less); (2) rest and recuperation (limited to five days per military visit); (3) military events and activities (support groups, briefings, etc.); (4) childcare and school activities (make child care arrangements, attend school meetings, provide emergency childcare, etc.); (5) financial and legal arrangements; (6) counseling; (7) post-deployment activities (ceremonies, briefings, etc.); (8) additional activities (other purposes as agreed to by the employer and employee).

Notifications and Certifications

The City will provide sufficient information for an employee to determine that a leave is protected by FMLA, which may be as simple as verbal notice. If the City has reason to believe a leave qualifies as FMLA, it may designate it as such and provide notification to the employee to that effect. Employees should provide at least thirty (30) days advance notice when the need for leave under FMLA is foreseeable, and as much notice as possible in other cases. Medical certification to support the request may be required, and the City may, at its own expense, require second or third opinions. Medical certification of fitness for duty is required prior to return to work.

Job Restoration and Protection

FMLA requires that, upon return from FMLA leave, an employee is returned to ~~his/her~~the employee's same position or an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

The FMLA prohibits discrimination or retaliation against employees who assert FMLA rights or who charge an employer with an FMLA violation.

Under specific and limited circumstances, certain "key employees" (those among the highest paid 10% of employees) may be denied job restoration. In this event, the "key employee" will be given a reasonable opportunity to return to work from FMLA leave.

I. PURPOSE

To establish policies and procedures regarding holidays.

II. POLICY

The following holidays shall be recognized as holidays for employees of the City: New Year's Day, Martin Luther King Jr. Day, Good Friday, Memorial Day, Independence Day, Labor Day, Indigenous Peoples' Day, Veterans Day, Thanksgiving Day, Day after Thanksgiving, Christmas Eve Day, Christmas Day, New Year's Eve. It is understood that employees may be required to work on holidays in accordance with normal scheduling procedures.

Holiday Observation. Employees working in seven (7) day a week operations observe each holiday on its actual day. A. The employee must have worked their scheduled hours of work on the their scheduled workday preceding the holiday and also on the their scheduled workday following the holiday; provided, however, that absence due to approved paid leaves of absence or paid time off will not disqualify an employee for holiday pay.

B. The employee must be on the active payroll as of the date of the holiday. For purposes of this section, a person is not on the active payroll of the City during unpaid leaves of absence, layoffs, when receiving workers compensation or during a disciplinary suspension.

Employees scheduled to report for work on a holiday, but who fail to report for and perform such work, shall not be entitled to any holiday pay.

Holiday Pay for Hourly Employees.

Eligible hourly employees required to work on a recognized City holiday shall be paid time and one-half times their regular straight time hourly rate for the hours actually worked on a holiday. For the purpose of this section, a holiday is defined as a 24-hour period beginning at 12:01 a.m. of the holiday.

Eligible full-time hourly employees who are not required to work on a recognized City holiday shall be paid eight hours of holiday pay.

Eligible regular part-time hourly employees who are not required to work on a recognized City holiday shall be paid ~~eight hours of~~ holiday pay based on their average hours worked per week, prorated over a 40-hour workweek.

Holiday Pay for Salaried Employees. Eligible salaried employees are not normally required to work on holidays but shall continue to receive their salaries. Eligible salaried employees on paid time off during a period which includes a day that a holiday is observed will not be charged for a day of paid time off on the holiday.

SECTION 7.0

PAID TIME OFF

I. PURPOSE

To establish policies and procedures regarding paid time off.

II. POLICY

The City encourages staff to take appropriate breaks from the workplace, which is vital to work/life balance, improving an employee's productivity, and overall health.

Paid Time Off (PTO) For Full- and Part-Time Employees. ~~The City encourages staff to take appropriate breaks from the workplace, which is vital to work/life balance, improving an employee's productivity, and overall health.~~ The City provides a combined PTO bank for ~~full-time and part-timepart-time~~ all employees to utilize for planned and unplanned time off. PTO may be used for the following, subject to the rules and procedures of scheduling time off:

4. Any other lawful purposes ~~the employee chooses, subject to the rules and procedures of scheduling time off~~.

Though the intent of PTO is to maximize flexibility of paid time off for employees, it is not intended to create an atmosphere in which employees feel entitled to "come and go as they please." The City has limited staff and provides diverse services, often at very busy times of the year. All PTO requests are subject to approval of employee's supervisor and may be denied, ~~and,~~ unless ~~there is a qualifying non-foreseeable event~~ the request is made for the use of sick leave protected by the Earned Sick Time Act and the employee has such time available.~~, may be denied to accommodate operational demands.~~

PTO may be used in no smaller than one (1) hour increments.

Leave Request. PTO should be used only after it is earned, however, employees with less than one year of service may request an advance of PTO in writing to the City Manager and agree to the following:~~.~~

1. Any PTO advances will be deducted from an employee's final pay.
2. If employee separates from employment and ~~his/her~~the employee's final pay is less than the amount advanced, the employee shall be responsible for reimbursing the City for any difference.

The City will grant PTO requests that indicate a need to take time off for sick leave protected by the Earned Sick Time Act where the employee has PTO available for that purpose. The City will attempt to honor all other reasonable PTO requests, but ~~, unless there is qualifying non-foreseeable event,~~ reserves the right to deny a request if it would interfere with the efficient operation of a department, if PTO abuse is suspected, or other valid reasons. Some PTO requests, such as vacations and foreseeable events, can be planned in advance and employees are expected to provide at least seven (7) days' advance notice of their request for leave to their supervisor. ~~In certain situations,~~U~~n~~less ~~there is a~~ request for time off is protected by the Earned Sick Time Act~~non-foreseeable event,~~ departments ~~m~~will~~ay~~ not allow more than one (1) employee to take PTO leave at the same time.

In the case of ~~unplanned non-~~unforeseeable PTO, for illness, unanticipated personal business or other emergent reasons, employees should give as much advance notice as possible to their supervisor. Employees are expected to call in each day of ~~unplanned non-~~unforeseeable absence to their immediate supervisor, unless specific arrangements are made with their supervisor for a return to work date~~.~~ or the employee is unable to notify their supervisor in advance.

Failure to call in three (3) or more days will be considered abandonment of position and a voluntary resignation.

A doctor's verification may be required where abuse of PTO is suspected. Extended absence of ~~three~~ four days or more due to illness may require verification of fitness

for duty from a licensed physician prior to return to work, as determined by your supervisor.

Accrual. Annual PTO accruals are based on an employee having 2,080 paid hours per year (40 hours per week). PTO does not accrue on unpaid leaves of absence or PTO cash outs upon termination. Part-time employees will accrue PTO on a prorated basis based on their planned work hours for the year. For example, an employee scheduled to work 1,040 hours per year (50% of full-time) will accrue PTO at 50% of the full-time rate. If an employee's planned hours change during the year, PTO accruals may be adjusted accordingly. At a minimum, part-time employees will accrue an hour of PTO for every thirty (30) hours worked.

Employees become eligible for the higher accrual rate on the first day of the pay period in which the employee's anniversary date falls. ~~Full-time employees with an anniversary date before December 31, 2007 with accrued but unused PTO above the maximum amount permitted to be carried over each year shall be required to use such PTO or cash out at the employee's current base rate of pay over a period of time not to exceed five years starting December 31, 2019.~~

III. PURPOSE

IV. POLICY

Employees who are involuntarily separated (dismissed or discharged) from employment will be paid for actual time worked, compensatory time earned in lieu of paid overtime for non-exempt employees and earned, unused paid time off.

Terminated employees have certain due process rights prior to discharge or other adverse employment decisions if they have a liberty or property interest that is affected by the adverse employment action.

Where an employment decision could be stigmatizing to the employee, and the City intends to place a record of the action in the employee's personnel file (which makes it potentially subject to public disclosure) or if the action would foreclose a definite range of future employment opportunities, an employee will be provided notice of the action and an opportunity to respond prior to the employment action.

Stigmatizing reasons for discipline or discharge may include dishonesty, immorality, moral turpitude, criminality, racism, harassment, falsifying forms, drug use, engaging in ~~prostitution~~ sexual misconduct, use of position to obtain kickbacks or other privileges, or other charges impugning the employee's moral character.

Charges of incompetence, negligence, poor attendance, insubordination, failure to meet performance standards, failure to submit required forms or documentation and related performance-based criteria have typically been held to be insufficiently stigmatizing to trigger a liberty interest.

City Council Agenda Item Report

FROM: Ryan Cummins, City Manager

MEETING DATE: May 21, 2025

SUBJECT: Administrative/Project Coordinator Position

DESCRIPTION:

The budget for the current fiscal year includes an additional assistant/project coordinator position. This position is not yet filled. The position was also in last year's budget but not filled.

I have evaluated operational and staff resource needs, and recommend the following:

- **Changes to current Deputy Clerk/DPW Administrative Assistant position**
  - Currently, this position is shared by the Clerk and DPW Superintendent. However, there has been challenges with the position reporting to two supervisors and working in two locations.
  - City Hall has additional administrative assistant needs. To better support each department, this position would continue to be a Deputy Clerk and only provide administrative assistance to City Hall department heads. This position will also be the lead on assisting walk in customers (including taking payments) and incoming phone calls.
    - We have been piloting these changes and it has been well received by staff.
- **Hiring a full-time Administrative/Project Coordinator for Public Works**
  - With the administrative, service, and project workload at the Public Works department, they are in need of more than part-time administrative support. This new position would provide assistance to Public Works by assisting with administrative and project coordination.
  - A copy of draft job description is attached.

Cost of Additional Position

I anticipate the new position will be in the range of $49,429 – $64,493. Benefits will be an additional 40%. A total of $100,000 is included in next year's budget.

Project Management is no longer included in the Planning/Zoning Director job duties, which saved $20,000 and will help offset the costs of the new position.
